

Valley Race Park

Greyhound Racing Meet 2016-2017

OVERVIEW

Valley Race Park in Harlingen, Texas will host a "Greyhound Racing Festival" meet from Friday, November 25, 2016 through February 4, 2017 for a total of 36 racing dates. This meet is designed for Texas-bred first time starter maidens. It is projected the total purses to be distributed for this meet will be in excess of \$2.2 million. Ten races will be run during each live performance, for a total of 360 races over the course of the meet, all run at 550 yards.

12	13	14	15	16	17	18
19	20	21	22	23	24	25
26	27	28				

RACES, CONDITIONS AND PURSES

All Greyhounds must be Texas-bred.

All races carded will be stakes races and will be designated with the letter "S" to allow multiple entries from the same kennel owners if necessary.

There will also be an accompanying letter applied to each grade, consistent with the Texas Grading System (M, J, D, C, B, A, AA).

Recognizing that all Greyhounds for this meet will arrive as first time starter maidens, two conditions will be required for each Greyhound to be eligible for active competition:

- 1) All Greyhounds must be within the age range of 16 months to 27 months.
- 2) All Greyhounds must have a minimum of two past performance lines with at least one fourth place finish or better, beating at least two other Greyhounds in that race.

Purses for the Maiden Stakes races will be \$5,000. As the meet progresses, Stakes Races for Grade C will be offered, with purses of \$7,000. Eventually, Stakes Races for Grade B (Purse \$8,500) and then Grade A (Purse \$10,000) will be offered. Other conditions for each type of race may be added at the discretion of the Racing Secretary.

The meet will conclude on February 4th with a Championship Race, with a purse of \$20,000. The conditions and eligibility requirements for this race will be determined as the meet progresses.

Purse values stated above are estimates and may be adjusted as necessary, whether up or down, based on total purse funds ultimately available for distribution during this meet.

It is estimated that the following number of races by type will be offered over the course of the meet:

Maiden Stakes	195 races @ \$5,000 = \$975,000
Grade C Stakes	111 races @ \$7,000 = \$777,000
Grade B Stakes	45 races @ \$8,500 = \$382,500
Grade A Stakes	8 races @ \$10,000 = \$80,000
Championship Stakes	1 race @ \$20,000 = \$20,000
Total	360 races worth \$2,234,500

Valley Race Park will offer a fixed percentage purse distribution per race, as opposed to a point system. Purses will be awarded as follows:

- 1st place – 50%
- 2nd place – 25%
- 3rd place – 15%
- 4th place – 10%

KENNELS and SCHOOLING

The kennel area will open on Monday, November 7, 2016. Eight kennels will be available for use, each with 66 crates. Each of the eight kennel owners will be required to maintain a list of 40 “active” greyhounds, for a total of 320 active greyhounds available for racing at all times.

Only Greyhounds permanently housed in Valley Race Park’s kennels will be permitted to enter races. No “Race and Go” Greyhounds from the farm will be considered eligible for exercising, schooling or racing.

Schooling races will begin Tuesday, November 8, 2016, allowing for seventeen (17) days of schooling prior to the first racing day. Schooling opportunities will continue after the live meet begins, likely four to five days per week, depending on the schedule of required track maintenance.

EXPORT WAGERING

Valley Race Park will export its signal to numerous wagering outlets throughout the country.
